Hi Marcia,

I'm sorry to bother you but I was wondering if you could send me a copy of the results of the compliance report review effort that was shared a while back. I found the email chain below and attached xls file from 5/20. Do you know if I should consider this the final version, or was there another summary file that I could look at? I also found an email from you on the following day, 5/21, saying that you all were still populating the spreadsheets, and would report out at the next call but I can't seem to find any emails with attachments after that or notes from any follow up meetings on this.

Any help or direction you could provide would be super helpful.

Thanks!

Elizabeth

Hi Marcia,

Alex MacPherson and I are interested in being involved with analyzing the compliance report data. Can you include us in the planning around this topic?
